Hi Kathleen,

The DLANC (Neighborhood Council) meeting is separate from the ones that you received from us. It appears from Marie's email that they want some people to go to the Neighborhood Council hearings because they want the Neighborhood Council to oppose the proposed vending ordinance at City Council.

The City Council hearings are attached. That is probably the set of meeting you are referring to. If people cannot attend both the DLANC meeting and a City Council hearing, we would stress that the City Council hearings are more important.

Let me know if I've answered your questions!

Dear Kent and Randy,

I received this message from one of the partners in our group and also a building owner in the Fashion District. I looked and saw that it was not on the list of meetings for I believe the same thing.
Are some dates mixed up or is it another date to remember for this vending subject?

Thank you for your input.

All the best
Kathleen

Peklar, Please see below. Can you help get folks to this meeting? We are very concerned that DLANC will take a position of support if we don't have any other voices in the room.

Thank you, Marie

Hello,

Based on a review of speaker cards from the City Council's Economic Development Committee's December 2, 2014 hearing where sidewalk vending was discussed, we are writing to notify your organization that the Community Impact Committee ("CIC") of the Downtown Los Angeles Neighborhood Council ("DLANC") will be holding a public hearing on the proposed regulatory framework from the Office of the Chief Legislative Analyst

(attached) to solicit input from stakeholders regarding the proposed framework. The hearing is currently scheduled for:

Time: Wednesday, May 27, 2015, 7:00 P.M

Location: DLANC's Office at 453 S. Spring St. Suite 1020, Los Angeles, CA 90013

If you are interested in providing input regarding the proposed framework, we invite you to attend the hearing and look forward to hearing your input.

Thank you in advance for your time and consideration of this matter. Should you have any questions, please feel free to contact me at 805-704-0497.

Best Regards,

Eric Garcia
